Stabling Requirements for FEI Competitions
(Including non competing and national horses)

PLEASE NOTE - FEI regulations state that a BE or Non Competing Horse and an FEI Competing Horse may not be stabled together unless the following is adhered to:-

- BE or Non Competing Horse must be registered with the FEI
- BE or Non Competing Horse must have had it's most recent flu vaccine within the last 6 months
- BE or Non Competing Horse must reside at the same yard as the FEI Competing Horse
- BE or Non Competing Horse must have it's temperature checked and recorded on the FEI App as per FEI regulations.
- BE or Non Competing Horse must be checked in by the vet as per FEI regulations

"BE or Non-competing horses must have it's most recent vaccination within 6 months and 21 days of the first day of competition. If that vaccination was given on or after 03 February 2025, it must be entered on the FEI Horse app as for competing horses."

ADDITION: whilst vaccines given on or after 03 February 2025 should be on the app, there are no sanctions at present if they are not on the app due to IT issues.
