BEDE EVENTS

Disabled Visitors

With the aim at providing a safer environment at events there will be no motorised vehicles allowed on the event site, unless prior authorisation has been given by the event director. This includes, ATVs, motorbikes, motorised scooters, buggies and electric bikes etc. An exception for those used for disability can be made by prior permission of the organiser.

Only official vehicles will be allowed onto the cross country course. Visitors with mobility restrictions who would otherwise use motorised vehicles should contact the secretary's office for information and assistance. Where possible alternative arrangements will be made for you to access event site.

We provide forward parking on production of a valid Blue Badge and also provide accessible toilet facilities. We try our best to accommodate all spectators and will try to accommodate any reasonable request. If you have any particular requirements or questions, please email info@bedeltd.co.uk
