Arena eventing is a challenging and exciting way to test your show jumping and cross-country skills within a more compact and accessible space. In recent years, arena eventing has become a vital part of the Osberton International horse trials, and we only plan to make improvements to the section as time goes by.

The Arena Eventing sections will involve a short course of show jumps (8-10 fences), followed by 10-12 XC fences, finishing with a Joker fence, which will be a show jump 10cm bigger than the rest of the course.

There will be an optimum time, where you will gain a 0.4-time penalty for every second over the optimum time and a 0.4-time penalty for every second in excess of 5 seconds under the time.

The joker fence is compulsory; if the fence is knocked down, 6 penalties will be incurred.

This event will have opportunity to place as the EMDG highest placed member, please make a note on your entry if you are an EMDG member
